

— GET READY TO GET — *more.*

MORE CUSTOMERS. MORE LOYALTY.
MORE OPPORTUNITIES.

more. is the premier prepaid and customer loyalty program for the self-service, unattended retail market place, brought to you by USAT, the leader in secure unattended cashless transactions, telemetry and consumer engagement services.

more. integrates seamlessly with your existing ePort Connect services. Harness the power of incentives, mobile platforms and more ways to pay to bring you closer to your customer, increase sales and encourage participation.

— HOW DOES *more.* WORK? —

Customers activate the *more.* prepaid and loyalty card at getmore.usatech.com, which can then be used to earn cash back rewards for products or services purchased at any of your participating locations.

DID YOU KNOW?

54% of consumers will increase business with a company to get their rewards.

Your business can then push special offers and promotions directly to your customers' accounts to drive more **frequent, repeat sales.**

DID YOU KNOW?

PURCHASING makes a consumer 67% **3 TIMES** more likely to become a **QUICKLY** loyal customer.

You'll build meaningful customer relationships that create consumer 'stickiness' and referrals by delivering value-add product information, relevant rewards, and *more.*

DID YOU KNOW?

70% of total sales can be represented by loyal customers.

WHAT DOES *more.* GET ME?

We provide a complete program toolkit that makes it easy to implement *more.* You'll find everything you need.

more deals.
more rewards.
more savings.
more options.
